## Director's Report

For the quarter Ended 31 March 2025

Dear Shareholders,

On behalf of the Board of Directors of Liva Group (the "Group" or "Company"), I am pleased to present the strong consolidated results for the quarter ended 31 March 2025.

The Group continued to deliver profitable growth as it began the year, with Insurance Revenue up 21% year-on-year, supported by accelerated new business momentum, enhanced pricing discipline, and the rollout of innovative products. The United Arab Emirates contributed 62% of the Insurance Revenue, reporting OMR 4.3 million in Profit After Tax. The Sultanate of Oman and the Kingdom of Saudi Arabia continued to post solid top-line growth, benefiting from improved investment income and operational efficiency in line with the Groups strategic direction.

Looking ahead, the Group is confident in enhancing this profitable growth alongside disciplined execution and the continued expansion across core and emerging segments.

### Financial Performance

Building on the strong momentum established in the second half of 2024, the Group's financial results for the quarter demonstrate sustained progress in scale, profitability, and operational discipline. Performance highlights are outlined below.

## Insurance Revenue

Liva Group reported Insurance Service Revenue of OMR 94.1 million for the quarter, marking a significant 21% increase compared to Q1 2024. This growth reflects the strong, independent performance of each of Liva's operating entities, driven by effective customer acquisition, successful product launches, and strengthened distribution partnerships across the Sultanate of Oman, the United Arab Emirates, and the Kingdom of Saudi Arabia — together contributing to a strong Group-wide result.

## Underwriting Result

The Group's Insurance Service Result reached OMR 4.8 million, reflecting an impressive 559% increase from OMR (1) million in Q1 2024. This strong performance underscores ongoing improvements in technical underwriting, claims management, and pricing adequacy, with profitability achieved across all lines of business. The Group's net financial result also demonstrated an accelerated 44% increase, driven by disciplined capital allocation and effective risk management practices.

## Investment Income

Investment income rose by 6% year-on-year to OMR 3.5 million, reflecting a continued positive trend driven by proactive portfolio rebalancing and improved yield optimization. The Group's diversified investment portfolio, comprising high-quality debt and equity instruments, continues to deliver rising returns, aligned with prudent risk-return objectives.

## Profit After Tax

The Group reported a Profit After Tax of OMR 4.2 million, reflecting a OMR 5 million improvement compared to the prior year. This return to profitability was driven by the collective success of all Liva's operating entities, with effective underwriting and a balanced product mix. This ongoing positive trend reinforces confidence in the Group's momentum and its promising outlook for 2025.

## Recent Events

Liva Group's achievements in the first quarter of 2025 have been recognised across the region, reinforcing our position as a trusted and innovative leader in the industry.

**Most Trusted Brand – AIWA Awards:** Recognised by Alam Al Iqtisad Wal Aamal (AIWA) for delivering consistent performance, transparency, and trusted customer engagement.

**Best Insurance – Oman:** Global Business and Finance Magazine: Honoured for continued excellence in the Omani insurance market, driven by our innovation, service quality, and customer-first approach.

## Environmental, Social, and Governance (ESG) & CSR Initiatives

Liva is committed to embedding ESG principles into every layer of its business operations. The Group continues to integrate sustainability and governance practices into our strategic and operational frameworks. During the quarter, the company made progress in enhancing board-level ESG oversight, integrating ESG metrics into performance dashboards, and aligning corporate initiatives with global best practices.

## Corporate Social Responsibility (CSR)

Liva's contribution to drive positive social impact across the region continued in the first quarter of 2025. The Beat Diabetes Walk engaged over 16,500 participants and delivered vital health services. Ramadhan food drivers supported underserved communities in the UAE and KSA. Reinforcing commitment for youth empowerment, Liva renewed its partnership with Injaz Oman and Cardiff University Student Society. In collaboration with the Royal Oman Police and Air Force promoted road safety whilst support to children in need in Bahrain were provided Diabetes Kit. These efforts reflect Liva's strong commitment to the well-being of the communities it serves.

## Outlook

The Group has entered 2025 with strong momentum and continued growth across all lines of business. Looking ahead, the focus is on disciplined expansion in profitable market segments, investing in digital capabilities, and further strengthening Organisational capacity to meet the evolving needs of customers and regulators. A key part of this strategy includes building and deepening partnerships that extend the Group's reach and enhance impact across the region.

Strategic priorities remain firmly anchored in diversification — both geographically and by product line — as well as expanding presence in high-potential markets. Through a collaborative, forward-looking approach and a clear commitment to digital innovation and operational excellence, the Group is confident in its ability to deliver long-term value for all stakeholders.

As part of the strategy, the Group continues to pursue both organic and inorganic growth opportunities to accelerate regional expansion. The company sees strong potential in the Kingdom of Saudi Arabia, where market fundamentals remain compelling. The previously announced Memorandum of Understanding with Malath Cooperative Insurance Company remains under advanced discussion, reflecting Liva's commitment to strategic partnerships that support its long-term vision and create shared value.

The Group is also closely monitoring global macroeconomic developments, including the United States' recently announced tariffs. While the initial assessment indicates a limited direct impact on the Group's core operations, proactive observations of potential implications are in place. Liva Group remains committed to transparency and will continue to keep shareholders informed as further clarity emerges.
